

## Statement REACH, RoHS, Conflict Minerals

### 1. Regulation (EU) No. 1907/2006 (REACH)

The company Carl Stahl ARC GmbH complies with the EU Regulation 1907/2006 (REACH) of 18 December 2006 as a downstream user.

According to our suppliers, none of materials used in our products contain substances included on the SVHC-List in a concentration of more than 0,1 mass percent contained.

We constantly monitor our suppliers for conformance with these regulations. Should any of our products require notification under Article 33, we will inform you.

### 2. Directive 2011/65/EU (RoHS)

Directive 2011/65/EU of the European Union concerning the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) became operative as of 3 January 2013.

Following substances namely are involved:

- Lead (Pb)
- Cadmium (Cd)
- Hexavalent chromium (Cr6)
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ethers (PBDE)
- Mercury (Hg)

Carl Stahl ARC GmbH declares that all of our products are manufactured in conformance with this Directive.

### 3. Conflict Minerals – Dodd-Frank Act

On 15 July 2010, US Congress passed the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), including regulations for so-called Conflict Minerals. This legislation affects businesses using **tantalum, tin, tungsten or gold** in their products or in the production of their products; and requires certain businesses to compile a yearly report to the US Securities and Exchange Commission (SEC), indicating if these minerals originate in the Democratic Republic of the Congo (DRC) or neighboring countries.

In order to comply with our customers' requirements, we have asked our relevant suppliers to inform us about the origin of the materials used in products supplied to us. At this time, we have no indication that any of our products could include Conflict Minerals.

This statement is valid until further notice, respectively until our corresponding up-date.
